Concerning: Draft proposal for Swanlabelling of “Sanitary products”

A working group within Nordic Ecolabelling has in collaboration with experts worked out a draft proposal for criteria for Swanlabelling of “Sanitary products”. Ecolabelling Denmark asks kindly for your comments on the proposal no later than **17 September 2007**. The proposal will hereafter be discussed in the Danish Ecolabelling Board and the Nordic Ecolabelling Board.

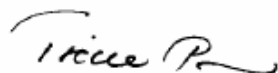

Besides the proposals in general we ask you to pay attention to the following:

1. What products can carry the Swan label? New products can be labelled.
2. The criteria concerning Fluff pulp (R4-R8), Viscose (R11-R14) and Polymers (R15-R20) have been increased.
3. New and increased criteria concerning other additives (R24-R35).

The proposed criteria and the background document will be found on Ecolabelling Denmark's web site www.ecolabel.dk at this link <http://www.ecolabel.dk/aktuelt/hoeringer/svanenhoeringer/Hoering+paa+hygiejneprodukter.htm> in PDF format and can only be opened and read via the program Adobe Acrobat Reader. You can download the program for free at Adobe's web site: www.adobe.com. The documents may also be ordered in paper from Ecolabelling Denmark.

You may send your answer by e-mail to (tpe@ecolabel.dk) by using the electronic statement form available on our web site in connection to the draft proposal. You may also use the enclosed statement form. Ecolabelling Denmark has to receive your comments to the proposal no later than **17 September 2007**.

Yours sincerely
Ecolabelling Denmark
